Yes, that's right. TechLaw needs to write a draft and final case conclusion summary as a final deliverable, and we need a month to wrap up all the billing after that.

I just wanted to double check my understanding: The Passaic River Allocation task order has a period of performance that ends on 9/30/21, and I seem to recall that you need about a month to close everything out so all work should end by 8/30?
